Before & After Care Programs

Our Before & After Care Program at Mater Boni Consilii Academy is designed to support busy families while providing a safe, nurturing, and enriching environment for your child outside regular school hours. All students arriving before 8:20 a.m. must go to staff in charge of supervision before school. At 3:20 p.m. all students remaining at school must go to after school supervision unless they are part of a supervised activity. Students in school supervision before and/or after school are to remain in the supervision room unless they have permission from the supervisor to go elsewhere. School rules and regulations apply to all students while they are in supervision. Morning supervision occurs from 7:45am to 8:20am, and After School supervision occurs from 3:40 pm to 5:00pm. Parents will be invoiced monthly for the use of after school supervision.

Parents/caregivers must always sign students out of the after-school program. This is for safety protocol reasons. The Before/After School program rates/fees are published in February before the next school year. There will be a \$1 per minute/per student late charge assessed to families who pick up their children after 5:00pm.

The before and after-school program can be accessed through both a full use registration rate, or a drop in rate. To utilize the registered rates, families must register for before and/or after school use. The drop-in rates are applied to families using before and/or after school services occasionally. Families can switch from a drop in use to registered use for the next following calendar month. Registered users are required to submit post-dated cheques, or e-transfer forms for 10 months made payable on September 1st through to the following June 1st.
